## **REFURBISHED MICROFLEX MS 1700 FOR SALE**

## **Refurbished Microflex MS 1700 mounting machine for sale**

1 fully refurbished MS 1700 mounting machine for sale. It is manufactured in 2003 but has been through a complete overhaul and is entirely upgraded.

### **Description of Microflex MS 1700/technical specifications:**

Print width / Cylinder width: 1700 mm  
Repeat length, maximum: 1016 mm

### **Power supply**

Voltage: 1 x 230 V  
Frequency: 50/60 Hz  
Power consumption: 5,2A

### **Panel upgrade**

This MS 1700 has been upgraded with a new panel. It means that there is no floppy drive on the machine. It has been replaced by a USB-plug.

### **Price for 1 Microflex MS 1700 as described above**

#### **Price in EUR , uncrated, ex works**

**The above price is excl.:** Freight, Installation and all kind of tax and custom.

**Terms of payment :** Pre paid with your order

**Time of shipment:** 1 week after payment

**Warranty:** 12 months warranty on parts and labour  
(travel costs not included).

All used machines are cleaned, checked and in very good working condition.

**The prices are net prices. You need to add your commission to these prices. These prices are not negotiable.**

All used machinery is offered on an as is, ex site basis unless otherwise stated in writing, subject to prior sale and/or availability.

All used machines are offered subject to remaining unsold.

All specifications are correct to the best of our knowledge but it is the customer's responsibility to ensure himself that the equipment meets his requirements.

Please come back with any further questions you might have.

Kind regards,

Reiner Roosen
